About the Trust & University

Envisioned with the aim of 'Shaping Future', Maharishi Markandeshwar University Trust (erstwhile reputed Maharishi Markandeshwar Education Trust), pioneered the educational system by establishing Maharishi Markandeshwar University at Sadopur-Ambala which was initially started as MM Group of Institutions in 2010 with the courses in the areas of Engineering & Technology and Business Management. Created under the provisions of the Haryana Private Universities Act, 2006, and having been legislated under Haryana Govt. Act No. 29 of 2010, Maharishi Markandeshwar University, Sadopur-Ambala constitutes MM Group of Institutions, MM School of Architecture and MM School of Pharmacy. The MM University Sadopur-Ambala has also been recognized by the UGC for awarding degrees under Section 22 of the UGC Act, 1956.

About the Institute

MM School of Pharmacy (MMSOP) is a pioneer Institution in the field of Pharmaceutical education in India. MMSOP was established in 2016 under the patronage of MM University Trust with objective of providing academic excellence, upholding and maintaining skill based values. Today MMSOP is a holistic based provider of education of global dimension and has been shaping the aptitude & aspirations of bright young generation. Presently the Institute is offering Bachelor of Pharmacy Course.

About Seminar

This conference being the most innovative event, aims to provide an open and stimulating scientific exchange that will give all the participants the opportunity to share their experiences, foster collaborations across industry & academia and evaluate emerging technologies in various aspects related with the cure and prevention of rheumatoid arthritis. Rheumatoid arthritis is a progressive and disabling autoimmune disease, has significant economic implications for individual patients as well as for the society. Rheumatoid Arthritis affects three times more women than men. Progress in the treatment of Rheumatoid Arthritis in the last two decades has been remarkable, leading to substantial improvements in the quality of life for many patients. The seminar will consist of moderated sessions and engaging an expert panel on research themes at the core of rheumatoid arthritis, discovery & development, cure and treatment.

Objective

This conference being the most innovative event, aims to provide an open and stimulating scientific exchange that will give all the participants the opportunity to share their experiences, foster collaborations across industry & academia and evaluate emerging technologies in various aspects related with the cure and prevention of rheumatoid arthritis. Rheumatoid arthritis a progressive and disabling autoimmune disease, has significant economic implications for individual patients as well as for the society
