About the Trust & University

Envisioned with the aim of 'Shaping Future', Maharishi Markandeshwar University Trust (erstwhile reputed Maharishi Markandeshwar Education Trust), pioneered the educational system by establishing Maharishi Markandeshwar University at Sadopur-Ambala which was initially started as MM Group of Institutions in 2010 with the courses in the areas of Engineering & Technology and Business Management. Created under the provisions of the Haryana Private Universities Act, 2006, and having been legislated under Haryana Govt. Act No. 29 of 2010, Maharishi Markandeshwar University, Sadopur-Ambala constitutes MM Group of Institutions, MM School of Architecture and MM School of Pharmacy. The MM University Sadopur-Ambala has also been recognized by the UGC for awarding degrees under Section 22 of the UGC Act, 1956.

About the Institute

MM School of Pharmacy (MMSOP) is a pioneer Institution in the field of Pharmaceutical education in India. MMSOP was established in 2016 under the patronage of MM University Trust with objective of providing academic excellence, upholding and maintaining skill based values. Today MMSOP is a holistic based provider of education of global dimension and has been shaping the aptitude & aspirations of bright young generation. Presently the Institute is offering Bachelor of Pharmacy Course.

About Popular Lectures in Biotechnology

This lectures series being the most innovative event, aims to provide an open and stimulating scientific exchange that will give all the participants a good opportunity to share their experiences, foster collaborations across industry & academia and evaluate emerging technologies in various aspects of modern biology & biotechnology. The lectures series will consists of sessions of renowned experts who will share their knowledge about biotechnology and related areas.

Objective

The Popular Lectures in biotechnology by experts are organized for students from schools, colleges, universities & also for general public to bring general awareness among them about the basic concepts, recent advances & potential of modern Biology & biotechnology.

Target group

Students/faculty of any stream from schools/ colleges and general public can participate.

Registration
