TEACHER'S DAY CELEBRATION
5th September, 2017

Teacher's day was celebrated by the students of Computer Science & Engineering Department on 5th Sep, 2017 in seminar hall with full zeal and enthusiasm. Teacher's Day marks the birth anniversary of the ex-president of India and a renowned teacher, Dr. Sarvepalli Radhakrishnan. To commemorate this day with zest, the students of Computer Science & Engg department, conducted various activities and paid tribute to their teachers by quoting titles.

There were various games for the teachers and the students also performed various dances. Dance, music, mimicry and skit made the day explicable. The students took great effort and ensured that teachers enjoy every minute. Followed by the cultural programme, games like musical chair were conducted for the teachers by the students.

It was an effort by the students to express their gratitude towards the contributions made by their teachers. Expressing the student's enthusiasm, Head of Department, Dr. Deepali Gupta extended her heartiest thanks towards students and also appreciated their efforts.
