About the Trust & University

Envisioned with the aim of 'Shaping Future', Maharishi Markandeshwar University Trust (erstwhile reputed Maharishi Markandeshwar Education Trust), pioneered the educational system by establishing Maharishi Markandeshwar University at Sadopur-Ambala which was initially started as MM Group of Institutions in 2010 with the courses in the areas of Engineering & Technology and Business Management. Created under the provisions of the Haryana Private Universities Act, 2006, and having been legislated under Haryana Govt. Act No. 29 of 2010, Maharishi Markandeshwar University, Sadopur-Ambala constitutes MM Group of Institutions, MM School of Architecture and MM School of Pharmacy. The MM University Sadopur-Ambala has also been recognized by the UGC for awarding degrees under Section 22 of the UGC Act, 1956.

About the Institute

MM School of Pharmacy (MMSOP) is a pioneer Institution in the field of Pharmaceutical education in India. MMSOP was established in 2016 under the patronage of MM University Trust with objective of providing academic excellence, upholding and maintaining skill based values. Today MMSOP is a holistic based provider of education of global dimension and has been shaping the aptitude & aspirations of bright young generation. Presently the Institute is offering Bachelor of Pharmacy Course.

About Association of Pharmaceutical Teachers of India

- An association found by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of excellent standards and to develop new technological methods in pharmacy education

through the exchange of views amongst the teaching members. The emergent world today with unbelievable sophistication under its belt demands for technically sound and highly knowledgeable pharmacists. The contribution of a teacher is thereby quite demanding. A Teacher apart from being an educator also contributes to science as a researcher, helps in business development as a consultant to pharmaceutical industry and also creates social awareness as a community pharmacist.

About FDP

This Faculty Development Programme (FDP) is being the most innovative event, aims to provide an open and stimulating scientific exchange that will give all the participants an opportunity to share their experiences and evaluate emerging technologies in various aspects related with the innovative teaching methodology. Pedagogy is in need of a transformation in the 21st century because educators who are passionate about using technologies in their teaching have been questioned about their effectiveness. At the same time, these digital technologies are viewed as just the latest result of creativity that educators possess today just like any other past technologies that used to be innovations as well. The FDP will consist of moderated sessions and engaging an expert panel on themes at the core of teaching methodology.

Objective

Technology has also had a great influence on education institutions themselves as it has led to a 'borderless education'. Learners today have the choice to choose on the methods they wish to partake in formal education without being physically present. They are also increasingly communicating with academic institutions through technologies. Learners themselves are changing as they utilize communication and information tools to help them manage their learning. Accordingly, in order to foster the protection of innovations and creativity, we want to aware participants about new techniques in teaching to mobilize the use of such technological advancement for the economic development of the country.

National APTI Committee

Dr. Pravin Digambar Choudhary, President
Dr. Debajyoti Das, Vice President - Eastern Region
Dr. Milind Janrao Umekar, Vice President - Western Region
Dr. Satish Kavatagimtah, Vice President -Southern Region
