About the Trust & University

Envisioned with the aim of 'Shaping Future', Maharishi Markandeshwar University Trust (erstwhile reputed Maharishi Markandeshwar Education Trust), pioneered the educational system by establishing Maharishi Markandeshwar University at Sadopur-Ambala which was initially started as MM Group of Institutions in 2010 with the courses in the areas of Engineering & Technology and Business Management. Created under the provisions of the Haryana Private Universities Act, 2006, and having been legislated under Haryana Govt. Act No. 29 of 2010, Maharishi Markandeshwar University, Sadopur-Ambala constitutes MM Group of Institutions, MM School of Architecture and MM School of Pharmacy. The MM University, Sadopur-Ambala has also been recognized by the UGC for awarding degrees under Section 22 of the UGC Act, 1956.

About the Institute

MM School of Pharmacy (MMSOP) is a pioneer Institution in the field of Pharmaceutical education in India. MMSOP was established in 2016 under the patronage of MM University Trust with objective of providing academic excellence, upholding and maintaining skill based values. Today MMSOP is a holistic based provider of education of global dimension and has been shaping the aptitude & aspirations of bright young generation. Presently the Institute is offering Bachelor of Pharmacy Course.

About Seminar

This seminar is being the most innovative event, aims to provide an open and stimulating scientific exchange that will give all the participants the opportunity to share their experiences, foster collaborations across industry & academia and evaluate emerging technologies in various aspects related with the intellectual property right (IPR). In today's globally competitive environment, intellectual property rights have placed itself on a pedestal in the context of economic growth and are becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance. The seminar will consist of moderated sessions and engaging an expert panel on themes at the core of patenting in research methodology.

Objective

IPRs are now being used not only as a tool to protect creativity and generate revenue but also to build strategic alliances for socio-economic and technological growth. Accordingly, in order to foster the protection of innovations and creativity, we want to aware participants about the Intellectual Property Rights to mobilize the use of such technological advancement for the economic development of the country

Eligibility

Diploma, UG, PG students/ Research scholars/ Scientist/ Faculty of any stream can participate.

Quiz Competition

Registered participants can participate in an online quiz competition. It will be organized at the venue of the programme. 40-50 questions related to IPR will be asked. Top three winners will be awarded with certificate and memento.

Topics to be covered

- ★ General aspects on Patents, Copyrights
- ★ Patenting to commercialization
- ★ IPR on Research Methodology
- ★ International perspective of IPR
