INTRODUCTION

Since its establishment in 1993, Maharishi Markandeshwar Trust (MMT) has banked upon innovation and passion to make the process of education valuable as well as relevant in sync with global competition. In fact, the Trust has gone out of its way to rope in the best practices in the area of education which is so very evident in the ever-increasing influence and popularity of MM(DU), the leading and vibrant university under MM Trust. MM(DU) is known for its high employability quotient courses, world-class faculty, state-of-the-art infrastructure and larger than life success stories of its alumni.

MM(DU) has been the vanguard of every industry-institute engagement. Beside the regular classroom lectures, MMUs are the sole hosts of Campus Business Park, where the companies operate their works from campus grounds and hire the students for the avant-garde work. With focus on each and every student, MM(DU) is the launchpad for preparing each student to take the life head-on and emerge a winner in every sphere, academic, intellectual as well as social.

What we offer is more than a degree; it is the complete learning experience along with some really robust mentoring network of best executives from across the country. Being a part of lively, pioneering and socially engaged global community of MM(DU), the students get to see diversity in all forms. They will rise up to a culture of collaboration and develop the nerves to deal with status quo. They will have the best of opportunities for academic, career and personal advancement across different fragments of the Full-Time Program; this encompasses certain programs and initiatives which are meant exclusively for students of MM(DU).

Education his mission
for life!*

Sh. Tarsem Kumar Garg
Hon'ble Chancellor, MMUs

Meet the visionary behind MMUs - Shri Tarsem Kumar Garg who wished to see students hailing from North India empowered with global education so as to have a head start in life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

In sync with his goals, he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of 2 decades, the MM Group of Institutions has grown into one of the most reputed educational group in the country which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.
